The Morris Educational Foundation celebrates the Class of 2021 and the Morris School District community as we recognize our graduates and all of their accomplishments. We are honored to be part of their educational journey and are proud to have given \$4.6 million to our schools over the last 29 years. From preschool through high school, it is our mission to promote excellence in education in every school in the Morris School District. We congratulate our graduates and wish them well as they move forward to colleges and careers, including:
