

The Morris Educational Foundation Presents

Part 1 of the 2016-2017 Parent Education Series

Changing the Game

Helping Our Children Achieve Excellence in Sports & Life

featuring

John O'Sullivan

Youth Sports Coach, Expert & Founder
of the **Changing the Game Project**

Modern day youth sports has evolved into an ultra-competitive, adult-centered enterprise that is failing our children.

With the latest science and research, John O'Sullivan provides parents and coaches actionable steps to help kids develop character and a positive mindset while creating an environment that teaches positive core values and life skills, instead of focusing on wins and losses, scholarships and professional aspirations.

Intended for **ALL PARENTS** with **ALL AGES** of kids in **ALL SPORTS & ACTIVITIES**
