

SOCIAL MEDIA INTERN POSITION AVAILABLE

Love making social media content, posting videos, and gathering followers?

THIS INTERNSHIP IS FOR YOU!

The MEF is looking for an intern to create and promote our content on social media to promote Morristown ONSTAGE and the great work that we do throughout the Morris School District.

WHO ARE WE?

- We are the Morris Educational Foundation (MEF)! The MEF is a charitable organization responsible for many of the programs and activities you enjoy in and out of your classrooms in the Morris School District.
- We want a student's perspective to create and share content to promote our programs - including our big fundraiser Morristown ONSTAGE.

WHAT YOU'LL DO

- Commit 1-2 hours a week - throughout the school year - to work on MEF projects, including meeting with our intern coordinator for direction
- Create fun and engaging reels and posts for all social media platforms
- Promote ONSTAGE, spotlighting performers, sponsors, and behind-the-scenes moments
- Tell the MEF story by highlighting our impactful programs
- Capture and organize photos and short videos at select events

WHAT YOU'LL GAIN

- Real-world experience creating content for an established nonprofit. All material will become part of your portfolio for college, scholarships, and jobs. Time counts towards volunteer hours.
- Social media strategy, content creation, and digital storytelling
- Event promotion and community engagement
- Creative brainstorming and campaign development
- Community-based work for an established local non-profit

REQUIREMENTS

- You are a current MHS high school student with an interest in social media, communications, marketing, design, photography, video, or community service.
- Are experienced posting short-form video content on social media platforms, ideally with an established following
- Know how to shoot and edit catchy reels and posts.
- Are creative, organized, dependable, and able to work independently and collaboratively.
- Have strong communication and storytelling skills.
- Are available for 1-2 hours per week through the school year, with flexibility for the occasional after-school or event-related support.
- Bring your creativity. Bring your ideas. Let's make something great together!
